OCA FILE SSCI

Dear Judge Webster,

In February of this year we requested that the CIA provide the Committee with copies of the Inspector General's annual work plan and quarterly reports to the President's Intelligence Oversight Board.

After discussions between members of our staffs, it was agreed that the annual work plan would be provided but stored in the SSCI audit staff's Rosslyn office. It also was agreed that a detailed classified summary of the quarterly reports to the President's Intelligence Oversight Board would be provided to the SSCI every six months. This was considered necessary in order to alleviate concerns regarding dissemination of internal Executive branch documents to Congress.

We believe that the above arrangements are acceptable for meeting the Committee's needs and look forward to receipt of these materials.

Sincerely,

David L. Boren
